TAX RATE INFORMATION

ASSESSED VALUES AND TAX INFORMATION

Assessed Values

Property subject to general property taxation in San Luis Obispo County is assessed at its full cash value. Section 2 of Article XIII A of the California Constitution states that full cash value means the County Assessor's valuation of real property as shown on the 1975-76 tax bill under "Full Cash Value" increased by no more than 2% per year or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment. Following reappraisal due to purchase, construction, or change of ownership, the new taxable value can then be increased by no more than 2% per year.

Lien Date

Except as otherwise specifically provided, all tax liens attach annually as of 12:01 A.M. on the first day of January preceding the fiscal year for which the taxes are levied (Section 2192, Revenue & Taxation (R&T) Code).

Supplemental Assessments

Chapter 3.5 of part 0.5 of Division 1 of the California Revenue and Taxation Code is titled "Change in Ownership and New Construction after the Lien Date". It provides for supplemental assessments to be added to a supplemental roll whenever new construction is completed and whenever real property changes ownership. This real property is to be appraised as of the date of the event (i.e. Change in Ownership or Completion of Construction). The various taxing agencies within San Luis Obispo County with the exception of public schools, receive their portion of the current taxes generated from the supplemental roll pursuant to the provisions of the Assembly Bill 8 process while public schools receive their portion of the taxes in relation to their "Average Daily Attendance". Taxes billed within the months of November through June are delinquent thirty (30) days after the last day of the month in which they were billed. If billed within the months of July through October, the delinquent dates are the same as secured taxes noted below.

Secured Taxes

Taxes on secured property are payable in two equal installments. The first installment is due November 1st each year and, if unpaid, is delinquent December 10th at 5:00 P.M. thereafter a delinquent penalty of 10% is attached to it (Section 2701 & 2704, R & T Code). The second installment is due February 1st each year and, if unpaid, is delinquent April 10th at 5:00 P.M. thereafter a delinquent penalty of 10% is attached to it (Section 2702 & 2705, R & T Code). If December 10th or April 10th falls on Saturday, Sunday or a legal holiday, the time of delinquency is 5:00 P.M. on the next business day (Section 2705.5, R & T Code). After the second installment is delinquent, the Tax Collector will collect a cost of ten dollars (\$10.00) for preparing the delinquent roll and publishing a delinquent list (Section 2706, R & T Code). Taxes due on property acquired by public agencies, such as the federal, state or local government, will be prorated to the date of acquisition by such public agency (Sections 5081 through 5091, R & T Code). On July 1st, any taxes remaining unpaid begin accruing an additional penalty at the rate of 1½% per month until paid (Section 4103, R & T Code).

Tax Rate

Under Article XIII A of the California Constitution, the tax rate is limited to a maximum of one dollar (\$1) per hundred dollars (\$100) of assessed valuation plus amounts levied for bonded indebtedness approved by the voters. For the 2011-12 fiscal year, the actual tax rates levied in SLO County range from \$1.00300 to \$1.08460, depending on the location of the property.

Tax Levy Distribution

The report entitled "AB-8 Revenue Estimates" lists all taxing jurisdictions within San Luis Obispo which receive a portion of the one dollar (\$1) rate levied and collected countywide. The methods used for distributing these dollars are specified in the Revenue and Taxation Code. In recent years, several legislative bills have been passed that currently shift approximately \$49.2 million dollars annually away from San Luis Obispo County, Cities and Special Districts, which is then allocated to various School Districts within San Luis Obispo County. These amounts change annually in proportion to the growth in local assessed values. The cumulative ERAF shift from 1992-93 through 2011-12 now totals \$672.8 million. This transfer of revenue from local agencies reduces the State's responsibility to schools and helps balance the State's budget.

Teeter Alternative Distribution Method

In 1993-94, the County of San Luis Obispo adopted the "Alternative Method of Distribution of Tax Levies and Collections and of Tax Sale Proceeds" provided for in Revenue and Taxation Code Sections 4701 - 4717, commonly known as the "Teeter Plan". The Teeter Plan has no impact on tax assessments, tax rates, or collection procedures. It merely changes the way the collections of delinquent taxes and penalties are distributed among the taxing agencies. Those agencies affected by the Teeter Plan receive the entire current years property tax levy each year without regard to delinquencies, but future penalties collected are distributed to the Tax Loss Reserve Fund, as required under the law. In fiscal year 2001-2002, the San Luis Obispo County Board of Supervisors removed the State assessed unitary tax roll from coverage under the Teeter distribution method.

Proposition 8 – Assessed Value Reductions

A Proposition 8 reduction is a form of assessment relief mandated by Revenue & Taxation Code §51 that may be applied when a property's taxable value exceeds the current market value (the price your property would sell for on the open market as of the January 1st lien date). Due to the current decline in market values, the San Luis Obispo County Assessor has applied the Proposition 8 reduction to 43,338 properties in the amount of \$1.3 billion, which will result in a countywide decrease of \$13 million in property tax revenues for the 2011-2012 fiscal year. Since the beginning of the current real estate market downturn, more than \$4.4 billion in assessed value has been removed from the assessment roll.

TAX RATES
BY FUND &
BY TAX RATE AREA
SUMMARY OF BONDS LEVIED

EXPLANATION OF TAX RATES

Maximum Tax Rate

Section 98(a) of the Revenue and Taxation Code directs the County to levy an ad valorem property tax on taxable assessed value at a rate equal to one dollar (\$1) per hundred dollars (\$100) of full value.

Tax Rates for General Obligation Bonds or Other Indebtedness

Under Section 93(a) of the Revenue and Taxation Code, a tax rate may be levied to make annual payments for interest and principal on general obligation bonds or certain other indebtedness approved by the voters. In this publication the maximum tax rate, in addition to any voter approved bond rate, is noted for each tax rate area and is multiplied by the net assessed value of each taxable property for tax extension.

Unitary Roll

The State Board of Equalization (BOE) is responsible for determining the value for certain companies with facilities located in San Luis Obispo County, which are part of a multi-county regulated public utility. In 2007-08, as the result of AB2670, the BOE was required to remove the Regulated Railway values from the non-operating non-unitary local tax rate areas (TRAs) and assess this property as Unitary in its own TRA 000-002. A countywide average debt rate is set yearly to be applied to all unitary and operating non-unitary property billed for the State Board Unitary roll. The tax rate for this year will show under the first two tax rate areas, 000-001 and 000-002. This serves to equalize the unitary value throughout the County to all taxing jurisdictions.

Mello-Roos Bonds & Special Taxes

The Mello-Roos Community Facilities Act is a tax-based financing method that authorizes local governments to establish community facilities districts (CFDs) within which they may levy special taxes and issue bonds, with approval of two-thirds of the district's landowners, to finance open space acquisition, maintenance, and other programs. There are currently two Mello-Roos CFDs levying special taxes for services being administered by the cities of Atascadero and Paso Robles.

State Water Project

The State Water tax rate is the result of a water supplement agreement between the SLO County Flood Control District and the California State Department of Water Resources (DWR), entered into in 1963, and is charged to every parcel within the County of San Luis Obispo. The revenue generated by this tax rate is used solely to make the contractual payments required by the DWR agreement, which is currently set to expire in 2035. Questions on the State Water tax rate should be directed to Sherri Weiss at 781-5296.
